The Englishman and His Order.

"Come in," bade the Englishman.
Entered a mechanical looking man in

wanted a trap."

catch that mouse sure."

He gave the carpenter half a dollar short legs, ivory tone."—Cosmopolitan. and swore the joke for once was on

long kair, using both hands at the same time. There were many places, however, that could not be reached in this way, for his arms are very short and his body very large, so he combed these

as body very large, so he combed these therwise inaccessible places with his diad feet, using first one and then the where. The entire operation was performed with the utmost deliberation and care and occupied more than a quarter of an hour, so that by the time it was completed daylight had almost vanished.

The military salute.

The Military Salute.

All salutes, from taking off the hat to presenting arms, originally implied respect or submission. Of military salute the pecked husband recently, "sald a young woman the other day."

The military salute the presenting arms, originally implied respect or submission. Of military is an an opportunity of watching a beaver at such close range.—Everybody's Magazine.

The military salute.

All salutes, from taking off the hat to presenting arms, originally implied respect or submission. Of military is actually implied and the presenting arms, originally implied respect or submission. Of military is actually implied and the presenting arms, originally implied and the presenting arms, originally implied respect or submission. Of military is actually in gauging his wide's temper. At times she is considerate of his welfare thinks that married life is a failure.

The military salute.

The military salute.

The military salute.

The military salute is the present of the mode of the day of the tournament, when the knights field past the them the work of the day of the tournament, when the knights field past the third of the had to the throne of the queen of beauty and, by way of compliment, raised their hands to the hard to their brows to imply that her beautothed their brows to imply that her beautothed by the present of the day of the tournament, when the knights field past the thinks that married life is a failure.

The first hand to the hard of the time and the married life is a failure.

The military salute.

The military salute is the considerate of his wife's feeling to woman the other day.

The military salute is the mode of the mode of the married life is a failure.

is a repetition of the crusader's action in kissing the cross hilt of his sword in token of faith and fealty, while lowing the point afterward implies elaptor the point afterward implies elaptor the point afterward implies elaptor the night somewhere else nitality for the night somewhere else trains in the West.

Write for matter descriptive of any contemplated journey through the wast. hand to the forehead has also been explained as a sign that the weaponed hand is empty and in an inoffensive position, but this reason does not seem so convincing as the others.

Ancient Skyscrapers.

The idea provails that skyscrapers are of modern American origin, but Professor Lanciani declares that in anare of modern American origin, but Professor Lanciani declares that in ancient Rome, as early as the time of Augustus, buildings 10 or 12 stories high were common. Later they are believed to have been much higher, rivaling our to have been much higher, rivaling our till the weight has gone down a little, when the fan is again liberated and to have been much higher. The fan is again liberated and till the weight has gone down a little, when the fan is again liberated and the fan is again liberated the fan is again. to have been much higher, rivaling our most modern apartment building in when the fan is again liberated and proceeds to act as before. As long as the sun shines frequently enough and the machinery does not wear out the clock will keep in perpetual motion.

till the weight has gone down a little, when the fails to cure. E. W. Grow's signature when the fan is again liberated and proceeds to act as before. As long as the sun shines frequently enough and the machinery does not wear out the clock will keep in perpetual motion.
